

## *Memories should last a lifetime ...*

*But not be buried in dusty boxes, file cabinets, or just dumped into a folder on your computer just to be forgotten.*

*You took those photos for a reason. They captured memories you want to keep for yourself and share with others.*

*Preserve those memories ...*

*Do you have photos buried in out-of-site places?*

*Is it time to get all or some of your photos organized so they are safe and protected for future generations?*

*Do you want to organize your photos into themes or stories so you can share through photo books, DVDs and other creative ways?*

*Is it time to give photos to family members ... organizing the growing up years by child or sibling?*

*Maybe you've inherited boxes of photos from a grandparent, aunt, or uncle or cleaned out your own garage, basement or attic and found loose photos gathering dust in a box.*

## *Time to organize those photos ...*

*As a professional photo organizer, I can help you:*

- *Organize all or just a portion of your photos so they make sense for you.*
- *Find the best photo organizing programs to help you manage it all.*
- *Develop a process customized to you!*

**Don't Just Show Your Pictures.  
Personalize the Sharing Experience  
in Creative, Distinctive Ways.**

*Lifetime Memories*
